

EGO Rapid Reload Trimmer Head

REGAH3810

Details

The EGO POWER+ Rapid Reload Trimmer head is a convenient upgrade to the EGO String Trimmer family. The Rapid-Reload head allows you to load new cutting line quickly and easily; line up the arrows on the head, insert the line and twist. The 15-inch cutting swath, bump-head line advancement and professional-grade 0.095 inch cutting line make quick work of yard clean ups. Replacement string trimmer head is compatible with EGO POWER+ models: STX3800, BCX3800
