

Milwaukee Backpack Blower Hip Belt

RMW49-16-2798

Details

The Milwaukee Backpack Blower Hip Belt easily attaches to our M18 FUEL Dual Battery Backpack Blower. Our backpack blower hip belt provides additional support for longer-duration cleanups and padding for additional comfort. The straps easily adjust to fit different operator needs and offer pockets to store excess strap length. The durable material is designed to survive everyday use in a professional environment.

- Foam padding and breathable mesh provide ultimate comfort for extended use
- Easy to adjust straps allow for faster adjustments and attachments
- Integrated pockets offer storage for excess strap material
- For use with the M18 FUEL Dual Battery Backpack Blower (3009-20 / 3009-24HD)
