

Corona Post Hole Digger

RCPD40020

Details

The Atlas pattern, heavy-duty, 12-gauge tempered steel head provides greater strength and long service life. The sharpened blade edges provide easy ground penetration easily slices through small roots. Enjoy 48" fiberglass handles for best combination of weight and durability. Ruler markings make gauging depth of hole an easy task. Distance between points: 4-3/4". Fiberglass handles.
