

Echo PB-8010T Backpack Blower - Tube Mount

RECPB8010T

Details

The PB-8010T tube mount backpack blower features an incredible 79.9 cc 2-stroke engine with a lightweight, innovative carbon fiber frame. The 3.6 in diameter blower tube provides maximum air flow. An oversized pleated paper main filter and foam prefilter allow for use in high-dust areas, along with tool-less latches for easy in-field maintenance. The 83.8 oz fuel tank provide for long run times, padded backpack straps and backrest for comfort. Fan intake circulates air and cools user's back. Tube-mount. 79.9 cc, 1071 cfm, 211 mph, 24.5 lb. Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
