

Hinged w/Gate Enclosure - 24x40x31

Green

RGSE1018FG

Details

The N Pattern enclosure is designed for angle pattern backflows but also works well covering pumps and other equipment. Large air-vacuum-relief valves easily fit inside these units for example. Mounting hardware included. Powder coated steel framework. Hinged with gate. 24" W x 40"H x 31L". Forest Green. Made in U.S.A

- Designed for angle pattern backflows
- Powder coated steel framework
- Install on EncPad Enclosure Pad or concrete base
- Mounting hardware included
- Made in U.S.A.
