

# Wood Bay greensIRON Turf Broom

RWB3900TB

## Details

No more drag mats or manual brushing. Attach the Turf Broom to your Wood Bay GreensIRON 3900 and combine two tasks - rolling and topdressing - into one. Places sand in aeration holes. Reduce top dressing material by at least 40%. Stands grass up. Variable tension and height adjustment. Less down time after aeration. Less wear on mower reels and bottom blades.
