

# Victor Electronic Mouse Trap

## R2889

### Details

Eliminate mice with a 100% kill rate! An electrical shock humanely kills a mouse within 10 seconds with no poison or glue. Unique tunnel design trap prevents mouse from escaping. Easy to use. Simply bait with peanut butter. You never touch a dead mouse. Four AA batteries kill 50 mice. Green indicator light flashes up to 24 hours to signal a mouse has been caught. Safe to use around children and pets.

- Requires 4 AA batteries
- Electric shock
- Tunnel design prevents escape
