

Mechanix Wear Winter Impact Gen 2 Gloves

RMW7010-

Details

When the cold front moves in, reach for the Winter Impact cold weather, water-resistant Winter Impact Gen 2 gloves with comfortable micro-fleece lining the entire glove and C40 3M Thinsulate to trap warm air in. Rugged water-resistant polyester combined with an internal waterproof membrane helps keep working hands dry in rain, sleet and snow. Extended gauntlet cuffs protect your wrists. EVA foam knuckle padding absorbs impact and safeguards your hands from abrasion. Resistant polyester construction, waterproof membrane, and Amortex grip for gripping power. Machine washable. One pair.
