

Echo CS-2511P Arborist Chainsaw 14in 25CC Rear Handle RECCS2511P-14

Details

This extremely lightweight 5 lb rear-handle chain saw easily maneuvers through tree branches and tight spaces making the job easier while dramatically reducing operator fatigue. The fine grid starter cover reduces ingestion of woodchips and fibers and prevents over-heating of the saw. Features choke with automatic fast idle making it easy to start in the tree, side access chain tensioner, dual post chain brake, G-force engine air pre-cleaner. Tool-less fuel and oil caps. 2-piece design for easy cleaning. 25 cc 5.7lb Rear handle.

- Lightest Gas-powered Chain Saw in North America
- Reduces Operator Fatigue
